

**Pearl River County, MS**  
**Order of the Board of Supervisors**  
**June 2, 2025**  
**Agenda Item (ID #8.A.)**

---

There came on this day to be considered by the Board of Supervisors of Pearl River County, Mississippi, the matter of Agenda Item (ID #8.A.).

Motion to approve the following plumbing standard update for Pearl River County effective July 1, 2025:

1. All newly installed incoming water service lines on any residential or commercial new slab construction in Pearl River County shall be buried underground and stubbed out through the building slab, into the wall at the point of entry.
  2. A full-port shut-off valve shall be installed in a residential valve box, at or near the point of entry for all new service connections in Pearl River County.
  3. Surface-mounted or above-grade water line entries through exterior walls of on slab houses, shall no longer be allowed in residential or commercial construction in Pearl River County.
